

**St Albert Trekkers Volkssport Club of Alberta**  
**YRE # 226 Beaumaris Lake Alternate Walk**  
**10km “YELLOWHEAD Program”**

NOTES: “RT” = Right Turn, “LT” = Left Turn, “MUT” = Multi-use Trail  
This walk qualifies for the “YELLOWHEAD PROGRAM”

This alternate walk is great for those who love the walk around the lake. It is also a great choice when the sidewalks are snow and ice covered as the city does a good job of clearing the lake trail. For variety you might want to walk one of the three laps in the reverse direction.

1. From the YMCA parking lot proceed to Castle Downs Road. LT to crosswalk. RT across street and LT. (.3km)
  
2. Just before Fire Station Number 17 RT on to MUT and follow to lake. (.7km)
  
3. At Lake RT and proceed all the way around the lake to this point three times. (8.5km)
  
4. Continue around the lake in the same direction passing large beige condos on the right. Just past the condos is an open area to the right and boat ramp to the left. (8.9km)
  
5. RT and leave the lake. At 153<sup>rd</sup> Ave RT. Follow to Castle Downs Road and cross Castle Downs and proceed on sidewalk beside 153<sup>rd</sup>. At entrance to YMCA RT and proceed to parking lot. (9.6km)

**Another great Capital Region Walk**
